C SKILLS AUGMENTATION

Skills are acquired through practice under the supervision of a member. As well as client contact, this will include discussion of relevant clinical and especially diagnostic issues with your supervisor, and discussion of the practical application of ethics and jurisprudence knowledge.

To ensure the likelihood of your training plan proposal being approved by the Registration Committee,

Skills Augmentation is recorded in the Supervisor's Work Appraisal Forms.

D CANDIDATE CHECKLIST

please use the checklist below prior to submitting your proposal: I have read and understand the Registration Guidelines for Training Plans of Supervised Practice Members. I have read and understand the instructions for completing the College's Training Plan Proposal Form found in the Training Plan Manual. ✓ I understand that I must submit my *Training Plan Proposal Form* to the College at least 10 days in advance of a Registration Committee meeting date. If proposing to take a university course: My Training Plan Proposal Form is typed, and all relevant sections have been filled out. I have included the official university course description or course syllabus with my Training Plan Proposal Form. If proposing to complete a course equivalent of supervised readings: My Training Plan Proposal Form is typed, and all relevant sections have been filled out. My reading list is appropriate to the subject(s), practice area(s), and client group(s) that I am required to train in. My reading list is cited using APA citation format and readings are listed in alphabetical order. I have listed the required number of texts and journal articles as specified in the Training Plan Manual. The journal articles in my reading list are from psychology journals and were published within the If my reading list includes some classic or seminal journal articles, I have ensured that my reading list has the required number of recently published (10 years) journal articles as specified in the Training Plan Manual. I have included the name(s) of my training plan supervisor(s). I have indicated the method of evaluation of my training plan. My supervisor has completed and signed section B4 of my Training Plan Proposal Form.
